HAKKIMIZDA

Hergün inanılmaz bir hızla gelişen ve büyüyen Endüstriyel üretimin en önemli aşamalarından biri kaynak makineleridir. Yerli ve yabancı onlarca markanın öncülüğünde ilerleyen kaynak sektörü, yedek parça ve sarf malzemesi olarak geniş bir yelpazeye sahiptir. Türkiyenin önde gelen güçlü kaynak ekipman üreticisi Komark Makine Yedek parça ve sarf malzemesi konusundaki zengin ürün çeşidiyle kaynak makine üreticilerinin güçlü partneri ve diğer makine üreticilerinin temel tedarikçisidir.

2005 yılından beri gaz altı kaynak, plazma ve tig kaynak makinesi torç, sarf ve yedek parçalarını üreten Komark Makine her marka ve model için çözüm noktanızdır.

Komark Makine, ürünlerini en kaliteli hammadde kullanarak en son teknolojiye sahip makine parkında elmas hassaslığında işleyerek yurt içi ve yurtdışındaki müşterilerinin kullanımına sunuyor.

Ar&Ge odaklı yapısıyla geçen uzun yıllar içerisinde kendini geliştiren ve sektöre önemli katkı sağlayan Komark Makine, üretiminin önemli bir yüzdesinin de ihraç ediyor.

Dünya standartlarında üretim yapan Komark, her marka ve model kaynak makinelerinin yedek parçası konusunda taleplerinizi en kaliteli ve hızlı karşılayabilecek kabiliyete sahiptir.

Hızlı bir yükseliş ve markalaşma süreci sergileyen Komark Makine'nin gelişiminin temelinde alanında uzman ekibi ve teknoloji yatırımları bulunmaktadır.

Komark makine, çağın getirdiği hızlı teknolojik gelişmeleri takip ederek, bilgisayar destekli tasarımlarla çalışmalarına dün olduğu gibi yarın da en iyisi olmak için devam edecek.

CORPORATE

One of the most important stages of industrial production, which is developing and growing at an incredible pace every day, is welding machines. The welding sector, which is advancing under the leadership of dozens of domestic and foreign brands, has a wide range of spare parts and consumables. Turkey's leading strong welding equipment manufacturer Komark Machinery is a strong partner of welding machine manufacturers and the main supplier of other machine manufacturers with its rich product range in spare parts and consumables.

Komark Machinery, which has been producing sub-gas welding, plasma and tig welding machine torches, consumables and spare parts since 2005, is your solution point for every brand and model.

Komark Machinery processes its products with diamond precision in its state-of-the-art machine park using the highest quality raw materials and offers them to its customers at home and abroad.

Komark Machinery, which has developed itself over the years with its R&D-oriented structure and made a significant contribution to the sector, also exports a significant percentage of its production.

Komark, which produces at world standards, has the ability to meet your demands for spare parts of welding machines of every brand and model with the highest quality and fastest.

Komark Machinery, which exhibits a rapid rise and branding process, has an expert team and technology investments in its field at the basis of its development. Komark Machinery, following the rapid technological developments brought by the age, will continue to work with computer-aided designs to be the best tomorrow as it was yesterday.
